### **RHTC 200 CLUB PRIZE DRAW**

The Robin Hood Theatre is a unique facility for the people of Nottinghamshire. It has been in Averham since 1913 and seen a huge variety of productions over the years. Run by a group of enthusiastic volunteers, it is a huge labour of love.

Without the support of the people who come to our productions, and help with all sorts of jobs from front of house duties to gardening, we would find it difficult to continue. Your support is essential to the future of our wonderful little theatre.

We sincerely hope that you continue to come and see our productions, but also that you can help us raise funds for investing in new equipment by joining the RHTC 200 Club and get a chance of winning a cash prize! You can have as many numbers as you wish, which of course will increase your chances of winning each month.

Since we returned to our theatre in 2013, RHTC have experienced some very successful productions. We hope that with your continued help, this wonderful theatre will go from strength to strength.
